

# MINI FRAC TEMPORARY LIQUID STORAGE TANKS

ADLER MINI FRAC TANKS OFFER UNIQUE DESIGN FEATURES TO ENHANCE SAFETY AND EFFICIENCY FOR YOUR TEMPORARY LIQUID STORAGE NEEDS. THESE COMPACT TANKS HAVE A SMALL FOOTPRINT FOR SPACE SAVINGS ON TIGHT JOB SITES. A CONVENIENT ROLL-OFF CHASSIS MAKES THESE TANKS EASY TO TRANSPORT AND POSITION.

Adler tanks are ruggedly constructed and may be specified with bare steel or epoxy-coated interiors. Lifting eyes, level gauges, multiple valved ports and available heating coils make Adler tanks versatile and efficient on the job site. They are also designed for easy cleaning, making them more cost-effective for you.
